

The Pilot Residential Stormwater Audit Program

Job #27-14-PW

March 26, 2014

Questions and Responses to Questions

- 1)** Approximately how many audits the City would like to have completed within the stated project budget? **As this will be a pilot program, we have not done this type of work before and are not sure how many audits it would be possible to complete within the budget. Determining that number will be part of the contract negotiation process.**
